

How to Access your Dashboard on EduBuddy

1 Visit the EDUBUDDY Website

Open your browser (Chrome/Firefox) and go to
<https://edubuddy.online/>.

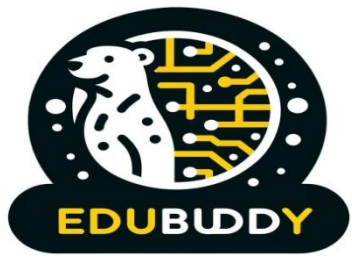

2 Log In to Your Account

- On the login page, enter your User ID and Password.
- If you don't have your login credentials, contact your admin or HR.
- **Forgot Password?**
- If you've forgotten your password, click on the "Forgot Password" option and follow the steps to reset it.

3 Access Your Dashboard

- Once you've logged in, your Dashboard will appear. From here, you can explore all the features and modules of EDUBUDDY.

The screenshot displays the EduBuddy Software Dashboard. At the top, there's a navigation bar with links to 'EduBuddy Overview', 'EduBuddy Blog', and 'AI Tool'. The left sidebar contains a menu with icons and labels for 'Home', 'Insights', 'AI Tools', 'Student Pages', 'Class Pages', 'Academics Pages', 'Staff Pages', 'Fees Pages', 'Admission Pages', 'Expense Management', 'Manager Pages', 'Marketing Pages', 'Settings', and a user profile for 'Hil Vinit Sharma' with a 'Logout' button. The main content area features a purple header with the text 'Edubuddy The Future of School' and 'Empowering education with AI'. Below this, there are six white cards displaying key metrics: '1281 Studying Students', '226 Working Staff', '0 Total Periods', '0 This Week', '4 Exams', and '0 Open Exams'.

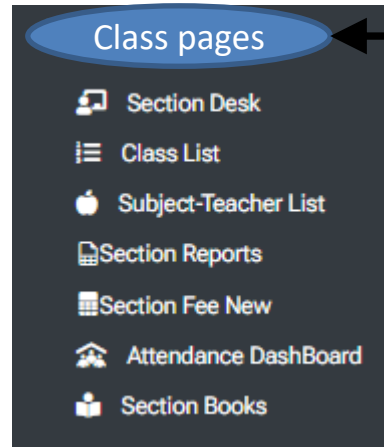

Metric	Value
Studying Students	1281
Working Staff	226
Total Periods	0
This Week	0
Exams	4
Open Exams	0

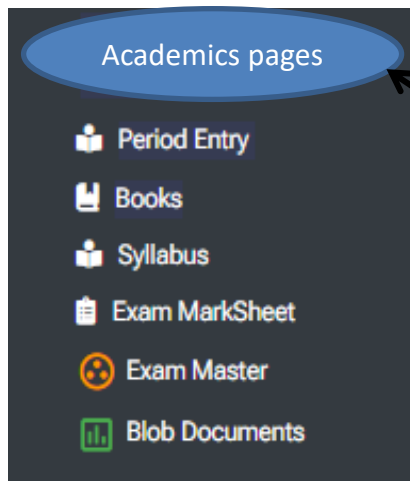

The **“Student Pages”** section helps manage student details like viewing all students, adding new ones, or generating reports. It also keeps records of past students for reference.

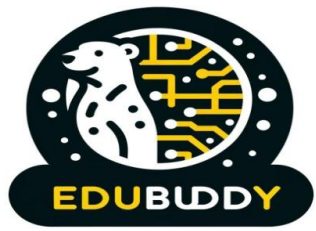

“Class Pages” is a menu that helps in managing classrooms. It includes options to check section details, take attendance, handle fees, list teachers and subjects, and view reports—all in one place.

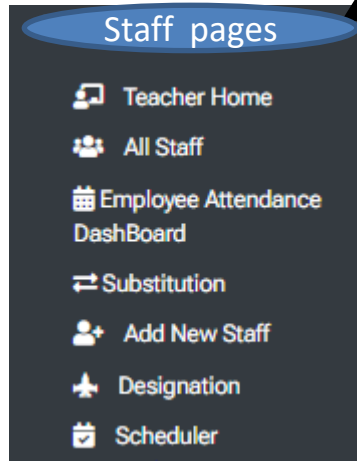

The **“Academics Pages”** help manage school tasks like setting timetables, sharing study materials, and planning exams in one place. Simple and organized!

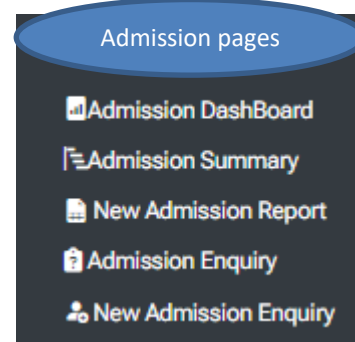

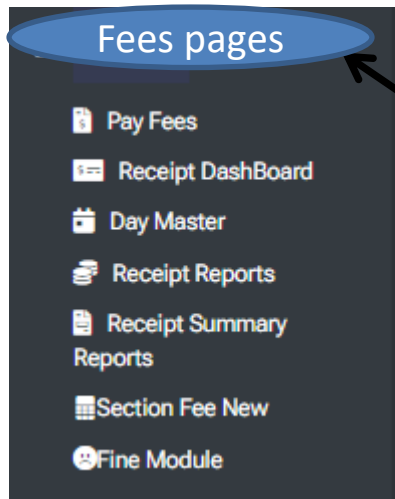

The "**Staff Pages**" section helps manage teacher-related tasks like marking attendance, planning schedules, and adding new staff members.

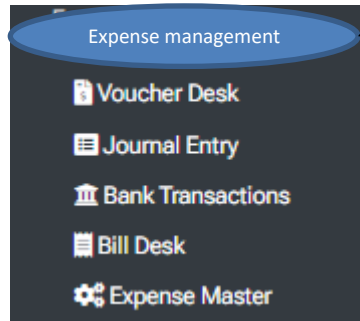

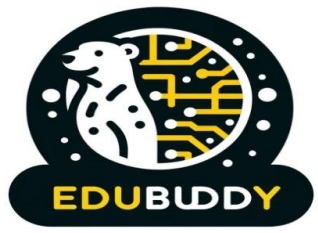

"Admission Pages" menu shows tools to handle new student admissions. It lets you check details, track applications, and handle admission queries smoothly

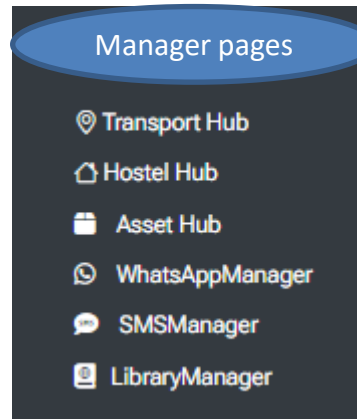

The "**Fees Pages**" menu helps with student payments. It includes options to pay fees, check receipts, manage fines, and view payment summaries.

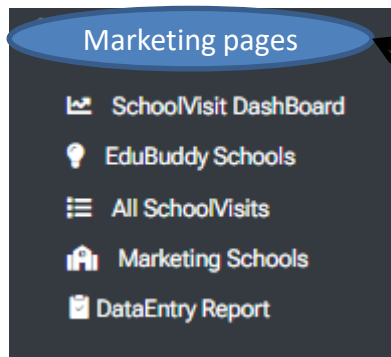

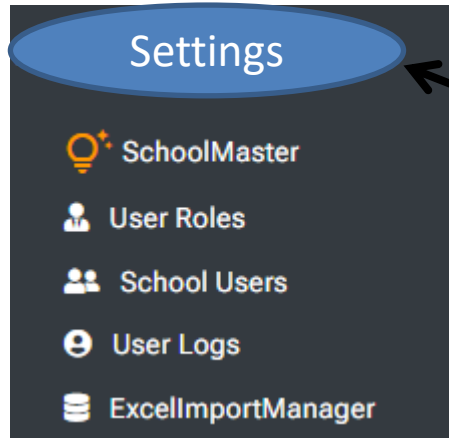

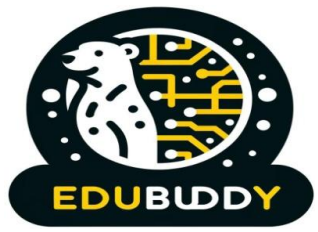

The "**Expense Management**" page helps you track spending and organize payments. It includes tools for vouchers, bank transactions, bills, and expense categories.

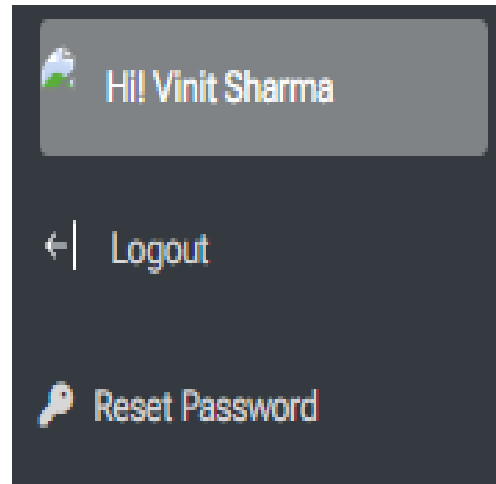

The "**Manager Pages**" section helps manage facilities like transport, hostel, library, and assets. It also includes tools for sending messages through WhatsApp or SMS.

The "**Marketing Pages**" section helps manage school visits and track marketing activities. It includes tools like dashboards and reports for better planning.

The “**settings page**” helps manage school operations. It includes options for administration, assigning roles, managing users, tracking activities, and importing data.
