What is EduBuddy Copilot?

- **AI-Powered Assistant for Schools:** EduBuddy Copilot leverages advanced AI to help users interact with school data effortlessly.
- Simplifies complex queries with natural language processing (NLP)
- Provides quick and accurate answers to a variety of questions

- **Integrated with EduBuddy:** Seamlessly works within the EduBuddy ecosystem to enhance productivity and data management.
- Accessible through the EduBuddy platform
- Consistent user experience across all EduBuddy tools

- **Enhances Efficiency:** Reduces time spent on administrative tasks and improves decision-making.
- Helps staff focus on more critical tasks
- Provides data-driven insights for better management
